Basic Intelligence Course (I), Part II

Lesson: Effective Graphics in Oral Briefing

Study Assignment:

1. Read Chapters II, III and IV, Visual Aids for the Public Service which has been issued to you.
2. Think over your need for a graphic aid(s) with your next oral briefing assignment.
3. Make a sketch (which you may want to change) and a list of the materials you will need to make the aid. Bring these to class with you to check over your idea with the instructor and determine the availability of materials you have selected.
